

South Side

By Debbie McCullough

Trying not to be April fools, South High Spartans are studying for and taking finals this first week of April and last week of the third quarter.

South's Pep Squad next week will be organized for next year's sports events with an assembly Monday and an election Wednesday.

In Monday's assembly the Spartans who have qualified after scrutinizing by a board of judges, will perform for the equally scrutinizing student body eye. After weeks of practice, Wednesday will be a day of reckoning for Pep Squad hopefuls when members of the student body cast their votes.

THE CURRENT Pep Squad will get a chance to demonstrate its routines and coordination April 15. The entire squad — flag twirlers,

Spartans Entertain Patients

Seven girls from South High School spent their Spring vacation entertaining patients at the Children's Hospital Rehabilitation Center in Hollywood.

The girls performed two plays, "Winnie the Pooh" and "The Tale of Peter Rabbit," for patients at the center.

Performers included Robin Flint, Karen Rasmussen, Laura Rasmussen, Patty Koptatz, Linda Priest, Elaine Graeme, and Susan Raebel.

The troupe also has been asked to perform programs in Torrance area convalescent homes. Three such shows are being planned, Miss Koptatz said.

"We enjoy performing this service," she said. "It enables us to help others and, at the same time, we gain experience appearing before groups of people."

Glendale Opens Branch Office

Glendale Federal Savings and Loan Association will open a temporary branch office in Newport Beach following approval of the new location by the Federal Home Loan Bank Board.

A permanent office in the Newport Center will be ready about July 1. The firm operates 16 other branches in the Southland, including an office at Sepulveda and Hawthorne boulevards.

The circus is coming to South! "Under the Big Top" is the theme for this year's annual Girl's League cotton ball April 15. As the name "cotton" implies, this ball goes casual in dress and atmosphere.

It goes one step farther in being different by going one step farther than the Dutch treat in that girls ask and treat boys.

STRIVING for a perfect and applicable student government, student council will soon vote on school constitution revisions. Three proposed amendments are for three offices. One for a commissioner of activities, a second for a boy's athletic commissioner, and a third for a totally new office, that of girl's athletic commissioner.

Feast, fun, awards and entertainment are in the minds of the many South groups planning banquets to climax a year of activities. Fine Arts, Laurels and Pep Squad are in the planning while Girl's Athletic Association has decided on a Hawaiian luau complete with dancers.
